Product Characteristics

|                                                 |                                         |
|-------------------------------------------------|-----------------------------------------|
| <b>Kategori Produk</b><br>Product Category      | Universal Relay & Socket                |
| <b>Nama Produk</b><br>Product Name              | MY4N                                    |
| <b>Fungsi</b><br>Function                       | Universal relay with PCB & socket mount |
| <b>Dimensi</b><br>Dimension                     | 27,5 X 21,5 X 35 mm                     |
| <b>Pin</b>                                      | 14 Pin                                  |
| <b>Tegangan</b><br>Voltage Rate                 | 220 VAC / 12 VDC                        |
| <b>Pergantian Kontak</b><br>Changeover Contacts | 4 Pole                                  |
| <b>soket</b><br>Fitted Socket                   | PYF14A ( E ), PY14                      |
| <b>Warna</b><br>Colour                          | Transparan<br>Transparant               |
| <b>Berat Bersih</b><br>Net Weight               | 28 g<br>28 g                            |
